Subject: STATUS REPORT - BOARD ORDERS OF JULY 30, 1981 AND  
SEPTEMBER 29, 1981 REGARDING EMPLOYMENT OF COUNTY  
RETIREES

Based on subject Board orders, members of my staff of the Department of Personnel have been developing implementing plans for utilizing retired persons on a reemployed and volunteer basis. Unfortunately, plans for reemploying retired persons must be temporarily put aside because of the Governor's veto of AB 529 (Rosenthal). That bill, as approved by the Legislature, would have permitted reemployment of County retirees for up to 90 working days per year (we had sought 120 days). It is our understanding that the Governor is not opposed to this concept in the legislation, and his veto was directed at a number of other subjects contained in AB 529. This legislation will be resubmitted after the first of the year, and we are confident of its passage.

Meanwhile, we are moving ahead in implementing plans for utilizing retirees on a volunteer basis. We met with representatives of the Retired Employees of Los Angeles County (RELAC) on September 29, 1981 and again on October 6, 1981 in your offices. Strong interest was expressed in cooperating in soliciting retiree volunteers for work in County departments. At the October 6, 1981 meeting, it was agreed that Senior Citizens Affairs will participate, and that members of my staff would develop a survey which RELAC could use in canvassing retirees and a second to identify those jobs in the departments that would be staffed with such volunteers. These interest survey forms will be reviewed at the next meeting on November 3, 1981, called by your office. ←

The Employment and Training Branch of the Department of Personnel is working with Brian Berger of your offices on this project.
